

# Acorn Work Bench Build Instructions

Before you commence the assembly process we recommend that you read these instructions thoroughly beforehand to familiarize yourself with the assembly process. Please check that you have the correct components. If for any reason, you need assistance, you can find our contact details on the final page of these instructions.

We highly recommend that any assembly is carried out on a flat, level surface. Ideally a second person will make the process easier.

## Package contents

# Acorn Work Bench Build Instructions

## Step 1

Ensure that you have all of the correct parts as listed on the front page of these instructions, including any fixings.

## Step 2

Lay the top upside down and place a leg in position as shown.

## Step 3

Ensure the leg is pushed into the corner and secure with the supplied screws.

## Step 4

Repeat on the other half of the leg.

# Acorn Work Bench Build Instructions

## Step 5

Repeat steps 2 to 4 for the other leg.

## Step 6

Fit the bottom shelf in position.

## Step 7

Centralise and secure using the screws supplied.

## Step 8

Fit the side brace.

## Step 9

Ensure the brace is pushed into the top corner and screw into place.

## Step 10

Ensure the brace is lined up with the front of the leg and secure into place with the screws supplied.

## Step 11

Repeat steps 8 to 10 for the other leg brace.

## Step 12

The main work bench is now complete.

**We hope that you found your product quick and easy to assemble but if not and you require any further assistance or have any questions you can contact us**
